HISTORICAL PHOTO

The late Dr. Richard Kim

Dr. Richard Kim was one of the original members of the WHFSC. The "Classical Man" or "Biggie Kim" were the 2 monikers he was best known by. A brilliant karate practitioner as well as scholar. I will remember him best, not for being the martial arts genius that he was, but for being a loving family man. By his own hand written account to me he stopped traveling to devote his time to finding a cure for his sick Wife. He never found that cure and she finally passed away as did he. A true love story that you will not find mentioned in books. Dr. Kim – a legend larger than life.....

Until next time, stay "aggressive" and "fair" in all you do!....Your Brother in the Arts, Soke Frank E. Sanchez –Founder/ Executive Director International
